To,

The Registrar General,  
High Court of Kerala, Ernakulam.

Madam,

Sub: Court Proceedings - Request for restoration of information in  
display boards - Reg

The facility to get information of the proceedings in all courts disseminated through the display system is not functioning now. This causes fathomless difficulties to our members, as postings in different courts can be monitored only if the display system properly functions. Presently, this difficulty can be overcome by an advocate only by using different devices simultaneously, which is practically impossible for majority of lawyers having only limited facilities. What is required is only the restoration of the work done by our court officers in the operation of the display system. We can ensure all support from the part of the association in maintaining the system without any flaws.

Please see that there is a facility in mobile phones to get the live display of Court proceedings, which makes the simultaneous management of cases posted in various court, comparatively hassle free for lawyers. This is yet another reason for giving immediate directions to the court officers to restore the display system without any further delay. It is humbly prayed accordingly.

Yours Faithfully,

Adv. Renjith T. R,  
Secretary.
